A Capital Choice Community

EATON RAPIDS

Welcome to Eaton Rapids

...chosen as the first of the "Family Friendly Cities" by the Michigan International Year of the Family Council.

Built at the juncture of the Grand River and Spring Brook, this Island City is one of mid-Michigan's most idyllic communities. While priding themselves on strong, small-town values, Eaton Rapids residents are filled with progressive ideas for growth.

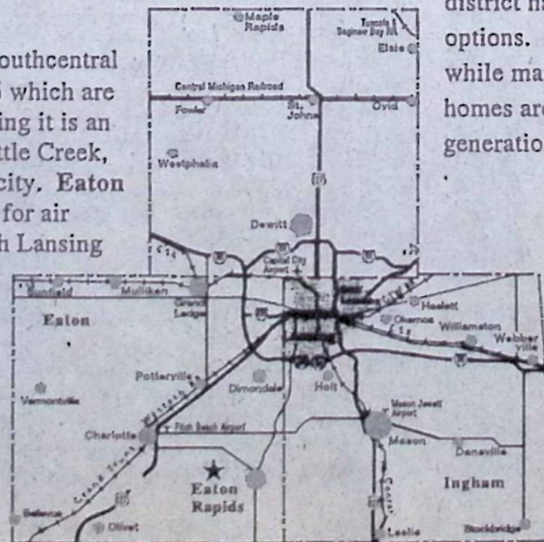

Eaton Rapids is changing and growing. New businesses are finding not only attractive opportunities for new offices, plants or warehouses, but also the perfect community for their employees to settle in. The revitalization of the downtown business

district has provided many new retailing options. New houses are being built while many of Eaton Rapids' historical homes are being maintained for a new generation to enjoy.

Choice Location

Eaton Rapids is centrally located in southcentral lower Michigan midway between I-94 and I-96 which are linked by M-99. Only twelve miles from Lansing it is an ideal commuter community. Grand Rapids, Battle Creek, and Jackson are also within easy range of the city. Eaton Rapids enjoys the nearby Capital City Airport for air service, and railroad service is available in both Lansing and East Lansing. Its easy accessibility has contributed to its industrial base.

Distance	Miles
Lansing	12
Detroit	105
Chicago	205
Indianapolis	250
Toronto	360
Cleveland	225

Preserving the past while planning for the future - that's what makes Eaton Rapids the ideal community for business, for family, and for just enjoying life.

MISSION STATEMENT

The mission of the Eaton Rapids Public Schools, in cooperation with the home and community, is to promote lifelong learning. Believing that all students can learn, we will provide equitable educational opportunities, encourage students to reach their potential, and prepare students to be effective, responsible citizens in a changing society.

EATON RAPIDS PUBLIC SCHOOLS

Elementary School Information

The elementary curriculum in the Eaton Rapids Public Schools places emphasis on the major subject matter areas of reading, language arts, mathematics, social studies, and science. Course offerings are organized around a well-developed, sequential system of goals and objectives.

Reading and language arts are integrated to develop a complete program of written and spoken communication. Mathematics is an integral part of the curriculum and receives a great deal of instructional emphasis. An ongoing program of assessment, monitoring, and evaluation are designed to provide successful experiences for our students in both of these important areas.

Social studies and science provide our students with the opportunity to explore and experience their role in an ever-changing technological society. These two subject areas provide experience beyond the textbook approach.

Along with our basic core of subjects, courses are also offered in vocal music, physical education, and computers. Students are also involved in art education and given the opportunity to develop their individual talents. Libraries are maintained at each school, and students are given the opportunity to develop library skills throughout the year.

School Hours: The school hours for elementary pupils (grades K-5) are from 9:00am - 3:30pm. Questions should be directed to the Elementary School Building Principal.

Questions should be directed to Lockwood at 663-8194, Northwestern at 663-2571 and Union Street at 663-8169

Middle School Information

The Eaton Rapids Middle School serves 6th, 7th, and 8th grade students. Students of this age level are going through many physical and emotional changes and require a broad base of educational instruction. The Middle School program is designed to give basic instruction in the areas of reading, language arts, mathematics, social studies, and science.

Students also explore classes in art, computers, vocal music, physical education, technology, drama, life skills, and foreign language. Band is also available for those interested in playing an instrument. In addition, the Middle School program addresses the critical areas of decision making, interpersonal relationships, and problem solving with required classes in those areas.

The Middle School uses an explicit discipline and reward policy based on a program called "Assertive Discipline." Each classroom has a specific set of rules with the consequences spelled out if the rules are not followed. Those students that follow the rules and show academic achievement are given recognition at the end of the marking period during awards assemblies.

A variety of clubs and enrichment activities are available for all students. The activities include: Foreign Exchange, Space Camp, Equations, Art, Odyssey of the Mind, Science Olympiad, Social Studies Olympiad, Math Competition, Technology Club, Ski Club and Writing Club. In addition, intramural and interscholastic programs are also available.

Questions should be directed to the Middle School at 663-8151.

High School Information

Eaton Rapids High School is fully accredited, serving students in grades 9-12. Our first graduating class was in 1876. Approximately 50% of our graduates continue their education beyond high school.

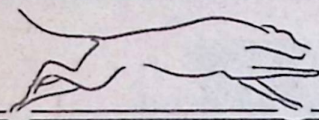

Our High School has established high expectations both academically and behaviorally. We have a well-defined code of behavior and attendance policies that are rigorously enforced by our faculty and administration.

Twenty-three total credits are required for graduation which include: 4 English, 2 Math, 2 Science, 1 US History, 1 Ninth Grade Social Studies, 1 Physical Education, 1 Fine/Practical Arts, 1/2 US Government, 1/2 Computers.

We offer a full range of academic programs including: college prep, vocational, and business. In addition to an interscholastic athletic program, a very wide range of clubs and extracurricular activities are available for all students.

Students in grades 9-11 are expected to remain on the school campus during the lunch hour. All Seniors are permitted to leave campus during their lunch hour. Juniors who have earned a place on the upper honor roll (3.5-4.0 G.P.A.) are also permitted to leave. **School Hours:** The school hours for secondary pupils (grades 6-12) are from 8:00am - 2:30pm. Questions should be directed to the High School at 663-2231.

Exit Outcomes

Students completing a K-12 education in Eaton Rapids will be:

1. Self-directed learners.

Self-directed learners create positive visions for themselves and their future, set priorities, set achievable goals, create options for themselves, monitor and evaluate progress, and assume responsibility for their actions. They value and are capable of learning over a lifetime and can apply knowledge in diverse situations.

2. Collaborative workers.

Collaborative workers use effective leadership and group skills to develop and manage interpersonal relationships within culturally and organizationally diverse settings.

3. Complex thinkers.

Complex thinkers identify, access, integrate, and use available resources and information to reason, make decisions, and solve problems in a variety of contexts.

4. Community contributors.

Community contributors invest their time, energies and talents to improving welfare of others and the quality of life in their diverse communities.

5. Quality producers.

Quality producers create intellectual, artistic, practical and physical products which reflect originality, high standards and use of advanced technologies.

School District Boundaries

The Eaton Rapids School District consists of approximately 150 square miles. The northern boundary of the school district is the village of Dimondale and the southern boundary is the county line of Eaton and Jackson counties. The east and west boundaries are approximately six miles from the Eaton Rapids city limits.

Tornado Watch & Warning

Normal school release times will be observed during a tornado "watch." If a tornado "warning" is issued, all students and employees will be required to relocate to the designated zone in accordance with Civil Defense recommendations. While a tornado warning is in effect, regular school release time will not be observed, and students will not be released to anyone other than the legal parents or guardians.

Emergency School Closing

Occasionally, during the winter months, weather conditions make it inadvisable to conduct classes. When this occurs, the public will be notified as soon as the detection is made. Ordinarily, this decision will be made prior to 6:30am and announced over local radio stations: WJIM (1240 AM/97.5 FM), WMMQ (92.7 FM), WVIC(94.9 FM), WITL (1010 AM/100.7 FM), WFMK (99FM), Q-106, WUFN (96.7 FM), WBHR (94 FM), and WGUY (1390AM), TV channels 6, 10, & 47. You may also call the Information Hotline at 663-0567 for updates.

At times, weather conditions make it necessary to cancel school after classes have begun for the day. Parents are notified through the same media as above and are encouraged to listen to these stations when poor weather conditions prevail.

The Eaton Rapids Public Schools transport 70% of the student body. It is important that parents understand that when a decision to close school is made, it is to insure the safety of our children. Decisions to close school are made by the Transportation Supervisor and the Superintendent.

3 days for you and
a companion.
Miami, Nausau, and
Royal Caribbean's
own Private Island!

We're booked a fabulous 3 day cruise for two aboard Royal Caribbean's beautiful "Sovereign of the Seas". This package includes your roundtrip airfare to Miami, transfers to and from the ship, all on-board meals, port charges, taxes, etc. There may be some minor extra costs including beverages, tips, shopping, parking, etc. Cabin upgrades, alternate departure dates and even alternate itineraries may be arranged at additional cost.

The winner of this drawing will be chosen at random from all completed questionnaires received. Deadline for entry is December 31, 1996.

To enter you must fill out the questionnaire completely and send it to CRG, P.O. Box 305, Eaton Rapids, MI 48827. Only one entry per household. All entries must be submitted on the actual directory page. No copies or faxes please! You must be 21 years of age to win.
